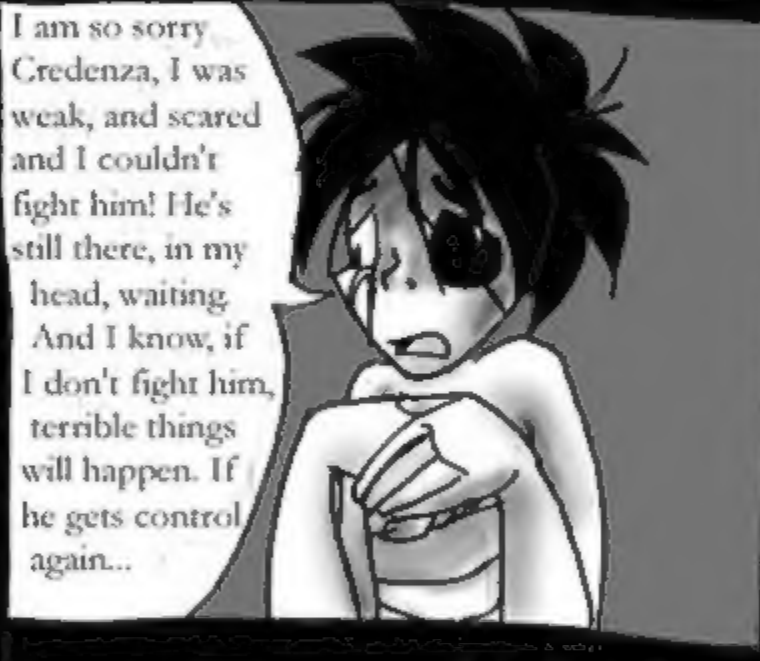
Uhnn... Credenza?

BLITZ!

Credenza!
Ow...
Blitz...
Headwound...
squeezing...



I am so sorry Credenza, I was weak, and scared and I couldn't fight him! He's still there, in my head, waiting. And I know, if I don't fight him, terrible things will happen. If he gets control again...

Everyone will die.

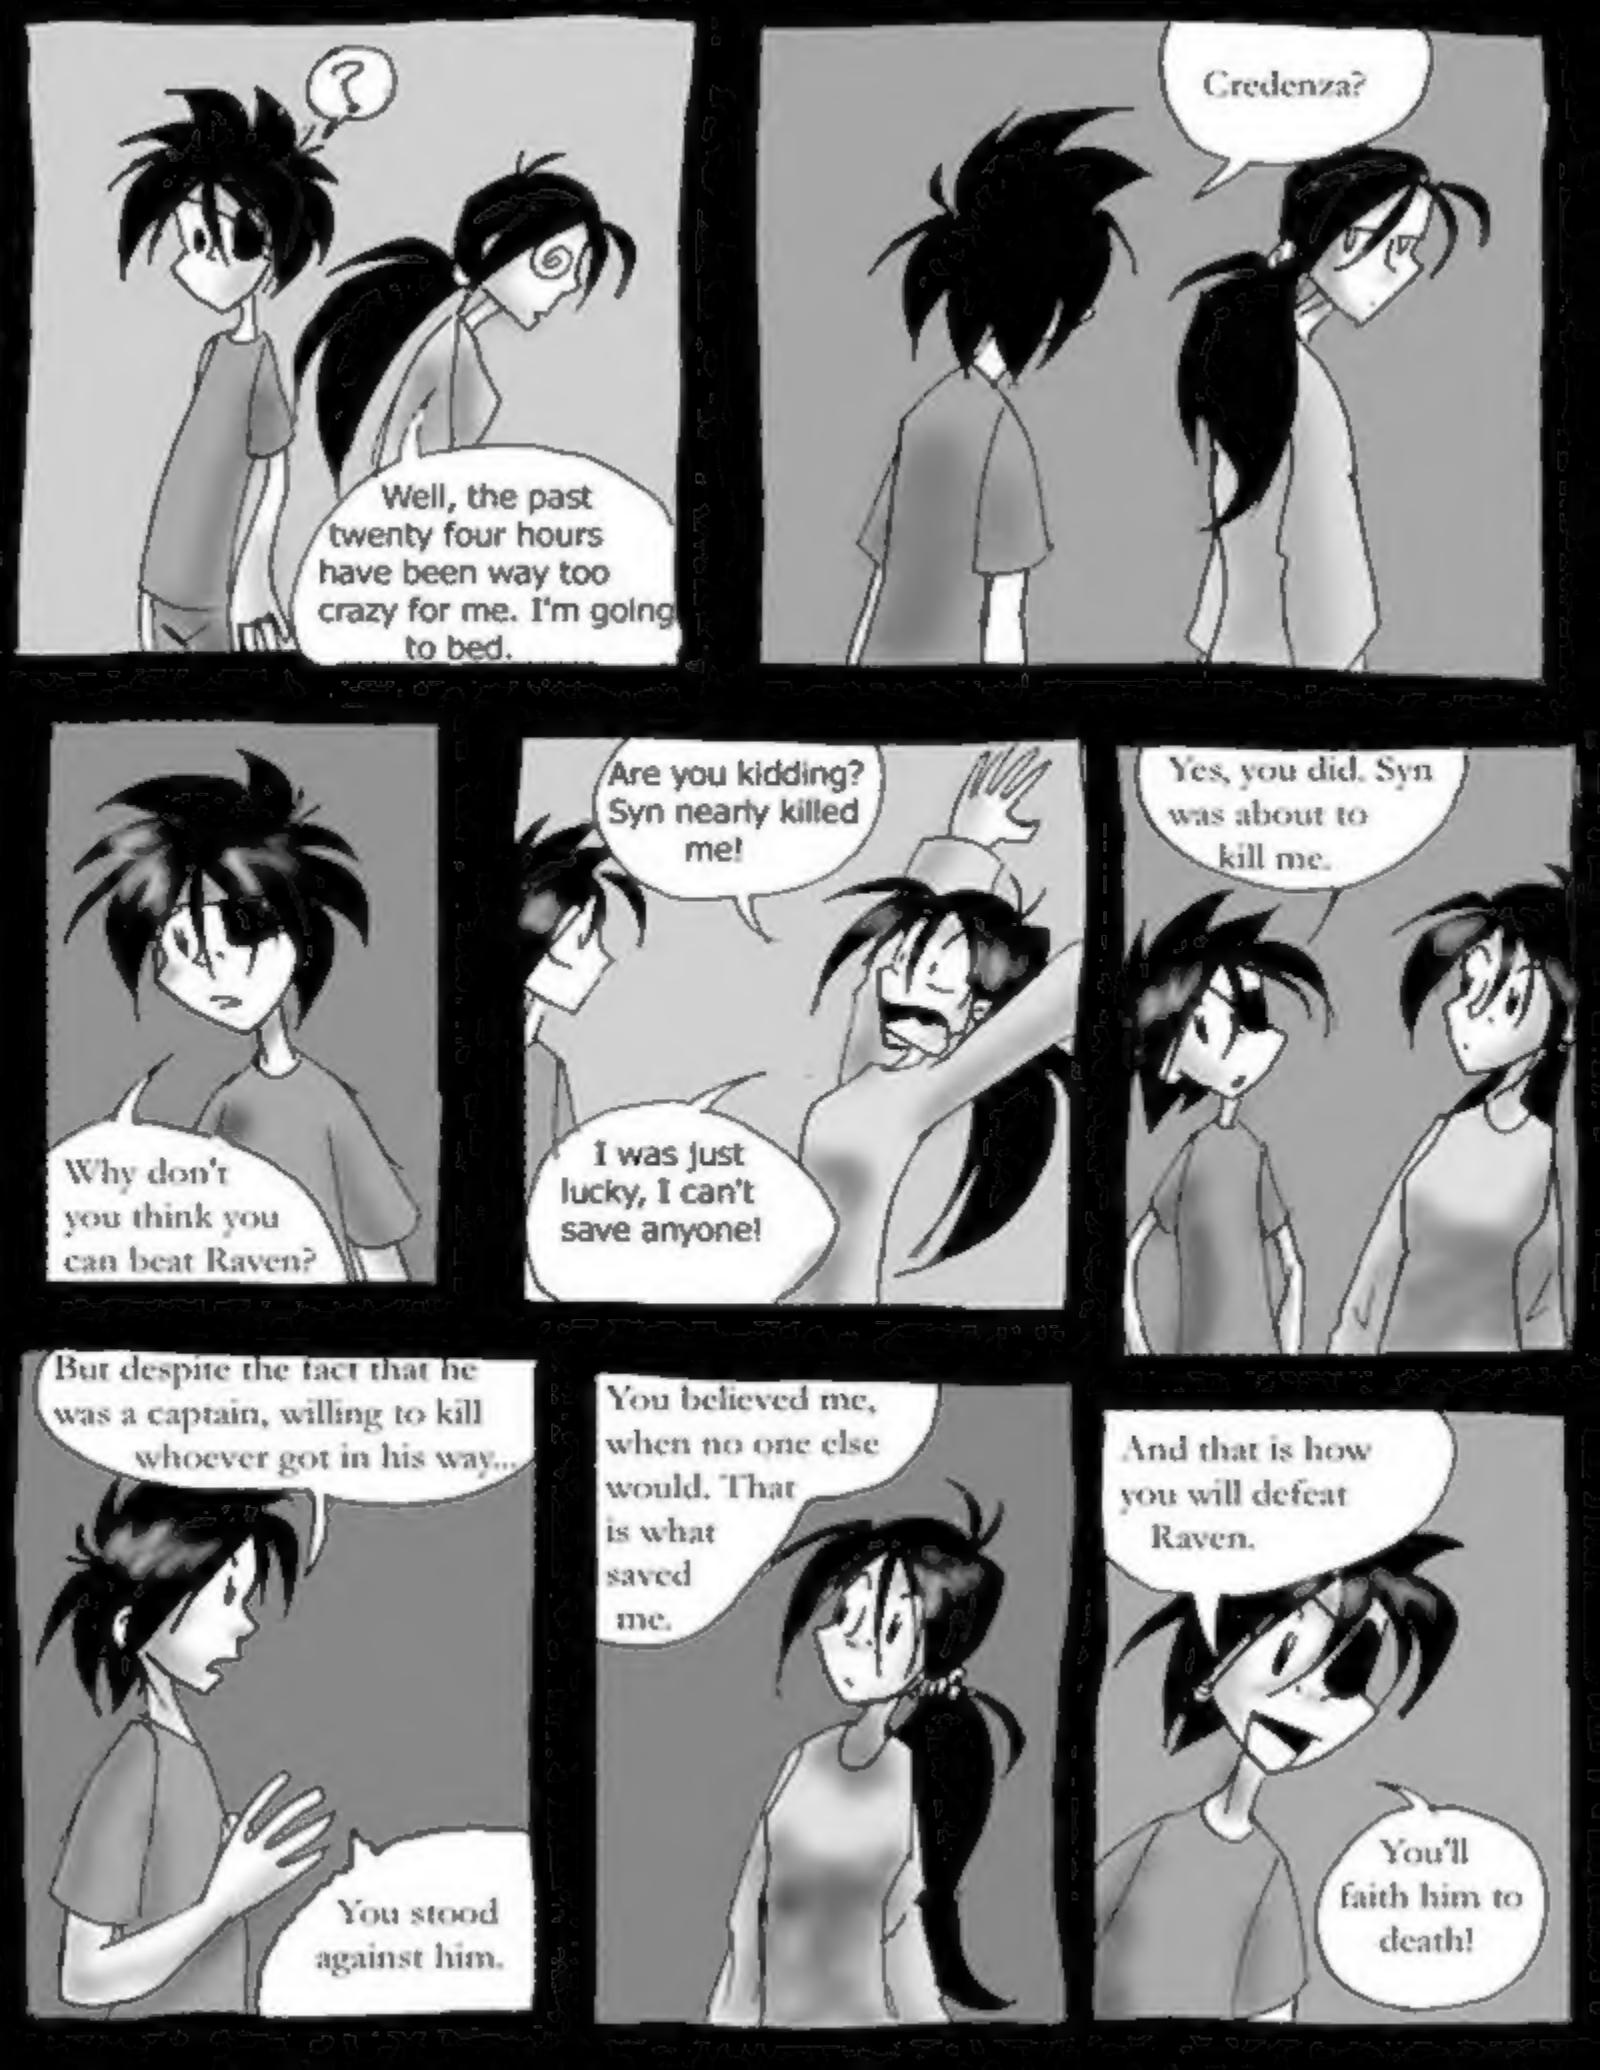
He's mad at you Credenza, but more than that he's scared, and he's going to kill you because of that.

He was scared of me? Why on earth would he be like that? I'm not scary at all...
It's hard to tell what he's thinking... but I can feel it.
When he saw you, he was confused. He saw something in you.
Something he didn't understand, it scared him! And I don't think he's ever been scared.
Something about you was completely alien to him, both intriguing and terrifying. He'll either try to use you, or destroy you, but I won't let him!
When Raven took my name, you gave me a new one! When despair had almost done me in, you believed in me!
If there's anyone who could defeat Raven, it'll be you!
I, Blitz Anthony, swear that until I breath my last, I will fight Raven and defend Credenza, the warrior of hope and belief.
You are one silly egg Blitz.
Awww, I'm serious.
I know you are, but you over-estimate me.

UHHHHN... WHAT HAPPENED...
AAiiiEEEEEEEEEEEEEEEE!!!
Hello
PLEASE! DON'T HURT ME!
I'LL DO WHATEVER YOU WANT!
Good! because you're coming with us!
TALKING SKULL

Wow, and I thought Paolin could be scary...
Well, they say the only thing a sailor's more loyal to than his captain is his crew.
It looks like Mr.Dictum, as the previous first mate, is now the new captain. Remind me not to stab his best friend, should I consider it.
He wasn't lying about being a translator either. He's been cussing Syn out in seven different languages for fifteen minutes and he's still going strong.
That was a nice patchjob you did on Lucas, and my head. With Lucas as a witness ol' captain Syn has no chance in court.
I bet if the court looks, they will find a trail of murders behind him.
Ahhh, the smell of justice.
Oh, it's just tea! Thank you Korus!
Poke Poke

What?
My hairband! Where's my hairband!?
It must be out in the ruins! I have to go get it, I-
Credenza! Wait!
I picked it up by the statue. Is this it?
THANK YOU Blitz! I thought I had lost it for good that time. I can't believe I lost it.....
I didn't realize you liked it that much.
It was a gift. From a very dear friend.
But more then that, it brings memories of my life.
Not happy memories, but ones that should not be forgotten.



?
Well, the past twenty four hours have been way too crazy for me. I'm going to bed.
Credenza?
Why don't you think you can beat Raven?
Are you kidding? Syn nearly killed me!
I was just lucky, I can't save anyone!
Yes, you did. Syn was about to kill me.
But despite the fact that he was a captain, willing to kill whoever got in his way...
You stood against him.
You believed me, when no one else would. That is what saved me.
And that is how you will defeat Raven.
You'll faith him to death!

Blitz, I can't be a hero. I'm not smart enough, I'm not strong enough.
I've tried to be a hero. I thought once that I could save people, that I was smart, that I was strong.
I couldn't save anyone. When you try to be a hero....
...people die.
But you shouldn't worry.
If you're all Raven has, we're not in a terrible amount of danger, are we, eh?

HMMMMMMM
Hmmmmmmmmmmmmmmmmmm
Captain?
Captain, I have news from the mainland.
What is it Lucinda?
One of our generals found a group of freedom fighters.

TIKTIK
WHRRR
A collection of warriors, magic users, and priests. They were trying to defend the mainland.
Some of the best, from the southern and northern continents.
Utterly destroyed then, eh?
Of course. They are all either dead or have... "joined," our side.
General Palote was almost disappointed.

Heh heh heh.
Well, that is good news, but it is not really important at this point.
You mean I'll be able to DO something soon!
Yes Kurr. Even your bloodlust shall be fulfilled soon.
Lucinda, Han, steer us north.
It is time for the final stage in the plan to begin.
Soon, our master shall be set free, and we will be rewarded for our loyalty to him.
Call the generals, tell them to gather at the Archipelago. It is almost time.
Raven's army is on the move.
